

## CURRENT: IMMEDIATE AID

### Mongai Primary School

The makeshift kitchen in timber construction has collapsed in May 2013.

360 pupils of full-day school currently get no lunch!

makeshift kitchen

We want to support the school in the completion and equipping of the new kitchen.

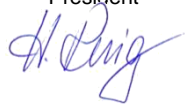

rough construction new kitchen

For the realisation of the project 3.000 Euro are still lacking.

Help with a donation, so lunch for 360 pupils is secured as quickly as possible.

09/2013

### Kids in Tanzania need our support

Together with our partners, we realise projects  
for nurseries and schools  
and we take over sponsorships for  
needy children.

## The Association

„Voice of Kilimanjaro-Kids e.V.“ is a recognised non-governmental organisation (NGO).  
Official register of societies and associations no. VR 2047  
District court Bad Homburg v.d.Höhe  
Tax no. 003 250 92559

We realise projects in kindergartens, orphanages, primary and secondary schools in order to support and encourage sustainable children access to education and thus their self-determined life and development perspectives. We also pay special attention to the deepening of personal contacts between people in Germany and Tanzania.

All measures are supported and accompanied by above-average commitment, initiative and achievement of the target groups, carriers, parents, villagers and the teaching staff on site.

The implementation and monitoring of all local projects in Tanzania are generally done by several privately funded travels by our members, sponsors and friends each year.

## Our current projects

### Orphanage Children of Destiny Foundation

Support of 26 children;  
school fees, living expenses

### Mongai Primary School

Construction of kitchen and dining hall, teachers' office.  
Enlargement of power supply and water supply.
